

Kick-start your career in a 12-month global program designed to develop future key positions and leaders through real business impact, senior mentoring, and international exposure.

# Global Graduate Accelerator - Global Purchasing Poland

Workplace: Łódź  
76042652

## Your responsibilities

- / Lead the supplier selection process (RFx): prepare requests, analyze offers and recommend the best solutions;
- / Assist in managing Capex for production procurement;
- / Build and grow relationships with suppliers and actively seek new partners;
- / Take part in negotiations and contract preparation and support of shaping purchasing strategy;
- / Collaborate with Material Group Managers on optimization projects and manage of bottlenecks.

## Your benefits

- / Structured 12-month development: Three distinct assignments offer broad business and cultural insights.
- / Clear home-country perspective: After the program, you will continue your career in a long-term role.
- / International exposure with local commitment: Gain global experience while employed on a local contract in your home country.
- / Accelerated development: Targeted learning, challenging projects and close mentorship from senior leaders.
- / Global headquarters experience: A mandatory assignment in Munich builds your international network and business understanding.

## Your profile

- / Master degree or comparable, preferably in management, economics, logistics or related fields;
- / First professional experience in corporate environment (experience in Sourcing & Procurement within an international production environment will be an asset);
- / Intercultural experience e.g. through semester or internship abroad and willingness to work in different locations worldwide;
- / Very good English language skills (German language skills would be an asset);
- / Strong analytic thinking skills and a business mindset, to master future challenges by contributing with fresh ideas and willingness to go the extra mile;
- / Excellent communication skills and the ability to build relationships in an international environment;
- / Proactive attitude, curiosity, courage and a willingness to challenge the status quo.
